welcome

to the great land

Only a few places in the world could earn such a grand reputation. The Great Land not only speaks to Alaska's incredible size, sprawling nearly 600,000 square miles and encompassing widely diverse terrain, but to its great wonders as well. Within this expanse lie Denali, North America's tallest mountain that rises more than 20,000 feet, and millions of acres of nationally protected forests, preserves and parks — including the iconic Glacier Bay National Park. It's essential that those who tread here do so mindfully and Princess® is dedicated to preserving the land, the sea and surrounding communities for generations to come. Discover why more people choose Princess to sail Alaska and create everlasting connections in this great land.

glaciers

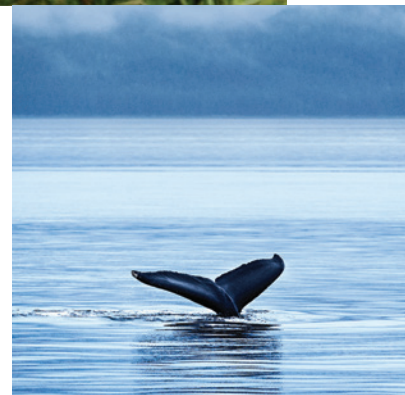

On a vacation full of adventure, one of the greatest highlights is viewing glaciers from the comfort of your ship. Every Princess® voyage features at least one day viewing glaciers, and many have two scenic days, including Glacier Bay National Park. With park rangers providing insights into how these natural wonders are formed, your perspective is

beyond compare. Enjoy open views on deck or from the privacy of your own balcony and, if the timing is right, marvel over the spectacle of ice chunks shearing off a glacier crashing into the waters below with a thunderous roar. Exciting excursions in port bring you even closer to glaciers as you hike, ride a dog sled or soar over the ice in a helicopter.

wildlife

A camera, a pair of binoculars and a sense of curiosity are all you need to get the most out of your adventures in Alaska. From the waters to the land, this scenic backdrop is teeming with wildlife. The ship deck or your balcony are perfect spaces to spot whales breaching out at sea. An excursion through Tongass National Forest reveals bald eagles flying overhead and black bears feeding on salmon from rushing streams. Choose a cruisetour that includes a visit to Denali National Park, the 6-million-acre home to the Big Five: grizzly bears, moose, wolves, Dall sheep and caribou.

Anchored by immense mountains, Alaska is practically defined by its towering peaks. See them from every angle as you sail past rugged shores or travel on land in a glass-domed rail car. Incredibly, 12 of the 13 highest summits in the U.S. are located in Alaska – all dominated by Denali, North America’s tallest peak at 20,310 feet. The Great Room at Mt. McKinley Princess Wilderness Lodge® is an ideal place to view the Alaska Range, and to learn more, you can attend our “Meet the Mountain Climbers” presentations at the lodge’s Hudson Theater.

north to alaska

Our award-winning North to Alaska program is exclusive to Princess®, designed by experts in order to strengthen your connection to the Great Land. Shipboard cuisine features ingredients like fresh salmon and other Alaska seafood. Local storytellers share their connections to Alaska – everyone from mushers to lumberjacks to extreme mountaineers.

This unique and immersive program has earned a prestigious Gold Award in Travel Weekly's annual Magellan Awards.

meet the locals

With more than 50 years of experience sailing in Alaska, Princess has established deep connections with those who call this land home, including Libby Riddles, a champion dog musher who was the first woman to win the Iditarod, and the crew from the Discovery™ Channel program, *Deadliest Catch*. Real-life lumberjacks show off their powerhouse skills and put your abilities to the test. On a cruisetour that includes a stay at the Mt. McKinley Princess Wilderness Lodge®, mountain climbers recall their experiences ascending the massive peaks of Denali.

enriching experiences

Joyful discoveries are part of your everyday experience in Alaska. While on board, join special events like the Klondike Festival, where you can learn about the culture of native Tlingit tribes, and meet naturalists who share details about Alaska marine life and geology. You'll definitely never forget your encounter with junior sled dogs in the extra-special Puppies in the Piazza experience.

flavors of alaska

Locally sourced salmon or succulent shrimp and crab are offered in the Main Dining Room. On board, you can taste your way through signature dishes such as fish tacos from the Alaska Fish House in Ketchikan and seafood chowder from the Bonanza Bar and Grill in Skagway. On exclusive shore excursions, reel in your own fish and bring it back on board for a special Cook My Catch meal. Or spend a memorable day with captain David Lethin, star of *Deadliest Catch*, who shares his exciting tales of hauling crabs from the Bering Sea.

The Alaska Sky

On select ships, the Princess Theater promises a front-row seat to the colorful aurora borealis within a spectacular indoor planetarium.

glaciers

on your cruise

glacier bay national park

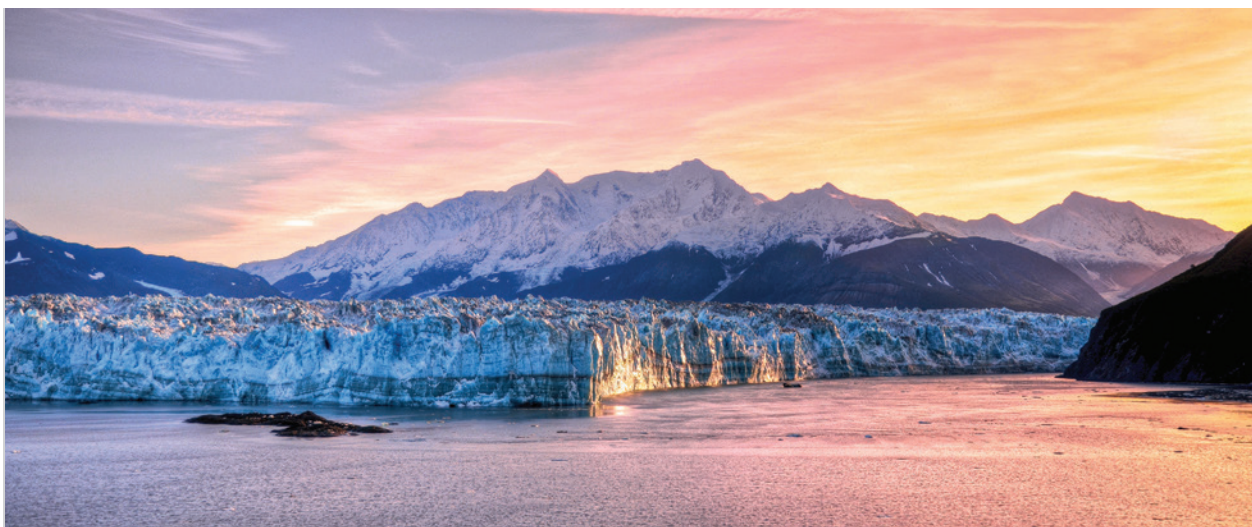

Princess Cruises® is an authorized concessioner of Glacier Bay National Park.

The anticipation builds long before you arrive in Glacier Bay National Park, and the rewards are more than you could imagine. This UNESCO World Heritage Site astonishes with its soaring tidewater glaciers, most notably the Margerie Glacier, and diverse marine life swimming in the bay below. Watch as park rangers scale the side of the ship to bring you their expert insights as you spend a leisurely day cruising while also enjoying distant views of rugged mountains and sheltered fjords.

endicott arm & dawes glacier

Towering rocks rise before you as you sail through Endicott Arm, a glacier-carved fjord notable for its sparkling turquoise waters. There's wildlife everywhere with clambering mountain goats and bald eagles soaring overhead, and the waters are one of the world's largest breeding grounds for harbor seals. Pass icebergs and waterfalls to reach the head of the fjord and get as close as possible to Dawes Glacier, which rises an incredible 600 feet high.

hubbard glacier

Within the expanse of Wrangell–St. Elias National Park and Preserve, Alaska’s largest tidewater glacier measures more than 75 miles long and 7 miles wide. This giant moves at such a rapid pace that you might see large sections of ice calving from the glacier in a thunderous crash.

college fjord

When a millionaire railroad tycoon brought a group of esteemed scientists to chart Alaska’s glaciers, they found a treasure trove in College Fjord. The collection of glaciers in these waters were named after Ivy League schools and their sister institutions, including the enormous Harvard Glacier that stretches 24 miles to meet the Chugach Icefield.

choose your cruise

Princess® has more than 50 years of experience sailing to The Great Land, and in that time we have developed lasting connections, bringing in local insights, enriching excursions and rewarding adventures. It's no wonder that more guests choose Princess to Alaska than any other cruise line. Set sail on the newest vessel in our fleet, Discovery PrincessSM, or choose another one of our award-winning, MedallionClass®-enabled ships.

Select a convenient departure from Seattle, San Francisco, Vancouver, B.C. or Anchorage (Whittier), and find your itinerary from 7-, 8- or 10-day voyages. Every cruise includes at least one day viewing glaciers, and many feature two scenic days. Expand your vacation with a cruisetour that whisks you between your ship and a Princess-owned and -operated wilderness lodge at the doorsteps of Alaska's national parks.

Denali Princess Wilderness Lodge®

where adventure begins

Just one mile from the entrance to Denali National Park, the Denali Princess Wilderness Lodge® is your gateway to a world like no other. Within the 6-million-acre expanse, Denali is teeming with wildlife. Grizzly bears, moose, caribou, Dall sheep and wolves roam freely as you embark on a guided tour in the park. Relax by the fireplace or look out over the Nenana River from the expansive deck, and gather with your loved ones at Fannie Q's Saloon – a lively spot named for Fannie Quigley, a colorful homesteader whose hunting skills were as legendary as her wilderness cooking.

EXPERIENCE DENALI

Make the most of your proximity to Denali with a guided park tour. Learn about the park's rich history on the Natural History Tour or upgrade to the Tundra Wilderness Tour to come closer to wildlife than ever before.

MEMORABLE MOMENTS

Stop by Fannie Q's Saloon to enjoy evening entertainment. Unwind with a local beer after a day full of adventure. Share unforgettable experiences every step of the way with relaxing amenities and fun for everyone.

A TASTE OF ALASKA

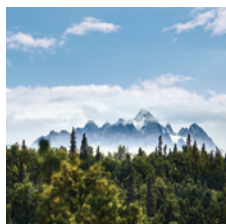

Sample Alaska's legendary seafood alongside casual fare and tasty favorites. Stop by the elegant King Salmon Restaurant for fresh-caught fish and crab, grab a slice at Lynx Creek Pizza or enjoy fresh coffee and pastries at River Run Espresso.

NATURE ABOUNDS

Some of the earth's most stunning sights come together in these landscapes. Gaze at the beautiful Nenana River from the outdoor deck or admire expansive views from your lodge's 40-foot-tall windows.

Mt. Mckinley Princess Wilderness Lodge®

Denali vistas from your doorstep

From its intimate location inside Denali State Park and only 40 miles from the famous peak, the Mt. McKinley Princess Wilderness Lodge® is a true wilderness retreat. Explore what Alaska has to offer through a myriad of nearby adventures. Whether you're sipping a craft beer in the Great Room or zip lining through towering trees, the park's dramatic peaks, winding rivers and wonderful wildlife are always in view.

ABOVE THE TREES

Just a short hike from the main lodge, you'll find the treehouse — a unique way to delight in your lodge's incredible surroundings. The treehouse was designed to offer unobstructed views of the Alaska Range and Denali.

DENALI LEGENDS

Bush pilot Cliff Hudson used to fly climbers directly to Denali. His restored plane is on site at the lodge, next to the Hudson Theater, where you can hear the incredible stories of those who have dared to make the ascent.

COMFORTING CUISINE

Everything from casual fare to elegant fine dining is on the menu here. Savor crab-stuffed halibut and king salmon at the sophisticated North Fork Restaurant or dine on local favorites at 20,320 Alaskan Grill or Base Camp Bar.

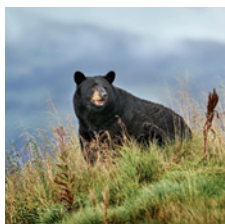

VENTURE OUT

Access the best of the great outdoors with one-of-a-kind adventures. Step out of a plane or helicopter onto a glacier for the hike of a lifetime. Ride through winding trails on horseback or pan for gold in a historic mining town.

*Condé Nast Traveler, Readers' Choice Awards, Top Resorts in Alaska and The Pacific Northwest, Mt. McKinley Princess Wilderness Lodge®, 2017

Kenai Princess Wilderness Lodge®

Alaska's playground

With endless outdoor adventure and abundant lands, it's no wonder why the Kenai Peninsula is known as "Alaska's Playground." Cozy rooms and an expansive viewing deck overlook the turquoise Kenai River and offer up-close access to 690,000 acres of wilderness in Kenai Fjords National Park. Just minutes from the lodge's front steps, nature hikes, angling, and glacier-viewing await among the stunning river and mountain vistas.

OUTDOOR ADVENTURES

Enjoy the splendor right outside your lodge or set out on an exciting excursion. Try your hand at fly-fishing on the abundant Kenai River or meet a local homesteader and see sled dogs in training.

RELAXING RETREATS

Cozy bungalow-style rooms and inviting spaces are the perfect places to relax after a long day of adventure. Settle down by your room's wood-burning fireplace with a book, or enjoy a glass of wine on the expansive deck.

FLAVORS OF THE GREAT LAND

The best of Alaska cuisine can be found at two lodge eateries. Try Rod & Reel Restaurant for elegant local dishes and refined flavors, or cozy up with a hearty bowl of bison chili at Rafter's Lounge.

ALASKA'S RICHES

Venture to Cooper Landing, the historic settlement where gold was discovered in Alaska. Explore the rustic area while testing your skills on a gold-panning excursion.

With such proximity to these natural wonders, Alaska's untamed wilderness is just within reach.

TAKE TO THE RIVER

For fast-paced and slow-going adventurers alike, there are many options just outside the lodge. Salmon fishing, river rafting and jet boating are only the beginning of what's possible on the water.

WARM AND WELCOMING

Capture unbelievable views of Mt. Drum, Mt. Wrangell and Mt. Blackburn through the two-story windows of the Wrangell Room, where comfy chairs and warm fireplaces invite you to unwind.

LOCAL FARE

Taste the fresh flavors of the nearby Copper River, known worldwide for its premium red salmon, alongside elegant dishes at Two Rivers Restaurant or comforting pub fare at Whistle Stop Bar & Grill.

STEP BACK IN TIME

Hear stories of the area's once-booming copper and gold mines with an excursion to the Klutina Lake Trail, a historic mining route just outside of the lodge, or the abandoned Kennecott Copper Mine.

Princess® MedallionClass® experience is only available on the cruise portion of this cruisetour.

Connect with what matters most

On a Princess MedallionClass® cruise, your vacation is made effortless. Decide whom you interact with and how. Locate your loved ones anywhere on board. Make reservations with the touch of a button, or have food, drinks and other items delivered right to you. This personalized service puts you in control, so you can spend more time connecting with each other and doing what you love.

It starts with your Medallion® wearable device

Wear your free Medallion® device wherever you go, and anything you want is right at your fingertips – drinks delivered to you by the pool, directions to your favorite show, even casino games. The quarter-sized device replaces your stateroom key and credit card to make vacationing easier than ever.

Make the most of the MedallionClass® experience

Quickly access MedallionClass® features from your mobile device, your stateroom TV or conveniently located portals throughout the ship. Or, wave down a friendly crew member. Choose what's easiest for you.

Start your vacation sooner

Spend less time at the terminal and more time at the bar, pool or buffet. When you complete the OceanReady® check-in steps before you sail, you'll receive your Medallion® wearable at home and pick an arrival time to expedite boarding. Plus, personalize your experience even more by updating your profile and sharing your preferences.

Simplified safety briefing

To minimize crowds and streamline your experience, you can now get important safety information anytime, anywhere on board. On embarkation day, watch the required video on your MedallionClass® app or stateroom TV any time before the ship departs, then check in with a crew member at your muster station so you know exactly where to go in case of an emergency.

Easy stateroom entry

Your Medallion® wearable eliminates the need to pull out a key card, unlocking your stateroom door as soon as you approach.

The best Wi-Fi at sea

Stream your favorite shows by the pool, post a picture of a decadent dessert to social media, or video chat with friends, family and coworkers. Our fast, reliable MedallionNet® Wi-Fi makes it easy to stay connected while you unwind.

Find your way – and your shipmates

Using your smart device or portals around the ship, you can easily locate anyone or find anything on board. Navigate the deck with turn-by-turn directions to wherever you want to go, or chat with family and friends through the app – no internet plan required.

Customize dining with *Dine My Way*SM reservations

Dine with complete flexibility at your preferred time and pace. Simply use the app to make reservations for the main dining room or one of many specialty restaurants. Note: Reservation times are based on venue capacity and availability.

*MedallionPay*TM payment – effortless, contactless

No need to hand over, tap, swipe or insert a card, provide a signature or enter a pin thanks to MedallionPayTM touch-free payment.

Whatever you need, delivered

Don't get up – OceanNow[®] ordering makes it easy to stay in the moment. Request whatever you need, wherever you are, from hot chocolate on your balcony to sunscreen by the pool.

Bookmark activities of interest

See everything available to you for the entire voyage with JourneyView[®] digital planner. Customize your itinerary and make plans to enjoy the full calendar of events.

Games for all ages at your fingertips

Feeling lucky? With Ocean[®] Casino on your smart device or stateroom TV, you can wager real money on all your favorite casino games from anywhere on board. Play slots, bingo, roulette and more from the comfort of your room, or try your hand at poker while lounging by the pool. Plus, with the new Ocean[®] Sportsbook[®] you can place bets on major competitions, such as your favorite sporting events, while you sail to new adventures. There's even fun for the whole family with PlayOcean[®] games and activities like location-based scavenger hunts.

Personalize your experience

Your Medallion® device is yours to customize and wear however you want – on a necklace, sports band or clip, plus new sustainable options. Make your vacation completely your own by telling us what you're allergic to, your dining preferences, accessibility needs, what special occasions you might be celebrating, even how you like your coffee! Create your own schedule, viewing and reserving activities of interest like live music, games, stargazing, dance classes and more.

*Certain games and/or teams may be excluded from sports betting.
